

Clip Art: "Fine Specimens" Wings Aflutter Small Perched Orange Butterfly

from *Martha Stewart Living* | www.marthastewart.com

How-to:

1. Print clip art, and cut out roughly. Using spray adhesive, mount to black heavyweight printer paper. Cut out along butterfly shape.
2. Stack both pieces faceup; the larger piece (with the butterfly body) should be on top. Using a hot-glue gun, adhere the 2 together at base of wings, where indicated by dotted line. Let dry.
3. Perch butterfly on furniture or other ledges using painters' tape or removable hooks (such as Command hooks).
