

# Template: "Love in 3 Dimensions": Accordion "Love" Valentine (reverse)

from *Martha Stewart Living* | [www.marthastewart.com](http://www.marthastewart.com)

Print template on card stock, cut out, and trace onto the paper for the folded piece. (If making one card, print "reverse" template directly on desired paper.) Using bone folder, score along dotted lines. Then unfold, cut out, and refold. Position the folded piece inside base card so it pops. Secure with double-sided tape.

# Template: "Love in 3 Dimensions": Accordion Card, Love (2 of 2)
