

Templates: "Love in 3 Dimensions": Accordion Hearts Valentine

from *Martha Stewart Living* | www.marthastewart.com

Print templates on card stock, and cut out. Trace onto paper for the folded piece. (If making one card, print directly on desired paper.) Using bone folder, score along dotted lines. Then fold along lines. Using small heart template, cut 3 single hearts from a contrasting paper. Score and fold, and attach to folded hearts with double-sided tape. Position the folded piece inside base card so it pops. Secure with double-sided tape.
