OTHER HOME DEPOT PRODUCTS

1in lattice cut to two (2) 30in pieces and one (1) 22in piece

power drill with ¼in bit

three (3) ¼in x ¾in bolts

three (3) ¼in wing nuts

medium green zip ties

26-gauge wire

wire cutters

STEP 1

Drill a hole in each end of the three lattice pieces (you can stack them and drill all three at once).

STEP 2

Make a triangle with the pieces and bolt together with wing nuts and bolts.

STEP 3

Fold garland in half and place face-down on table. Lay frame on top, with top point of triangle at the folded point of garland. Attach garland to frame tightly with zip ties or wire. Fluff garland branches and berries to hide lattice.

STEP 4

Using wire, embellish garland with ornaments and a ribbon bow.
