

Template: “Branching Out” Birds of a Feather

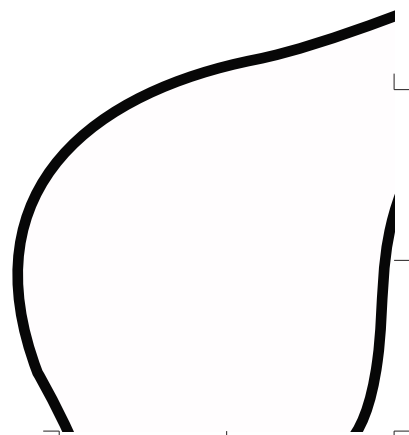

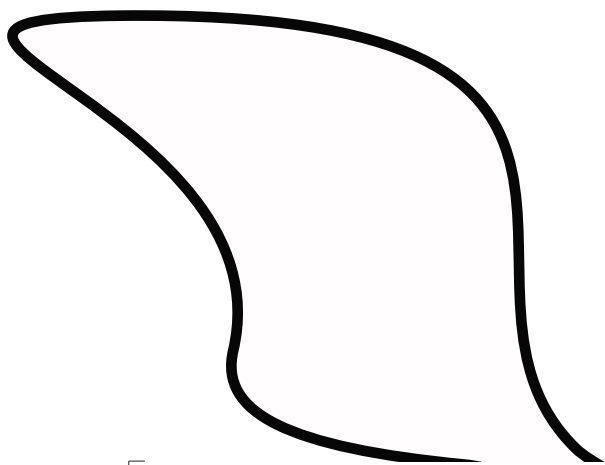

from *Martha Stewart Living* | www.marthastewart.com

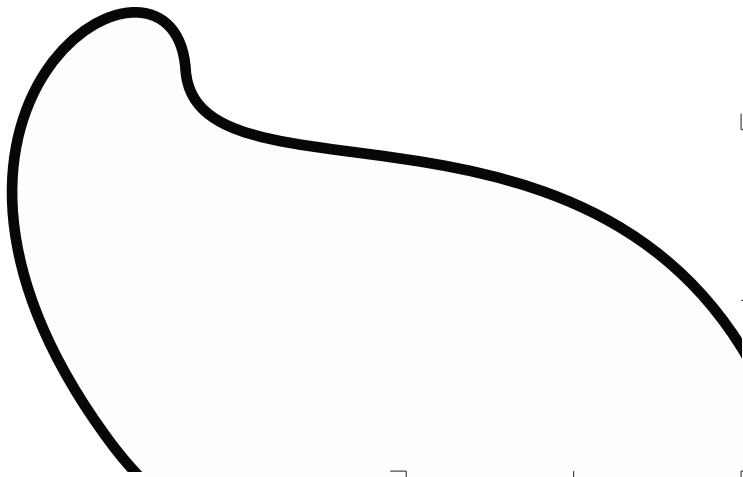

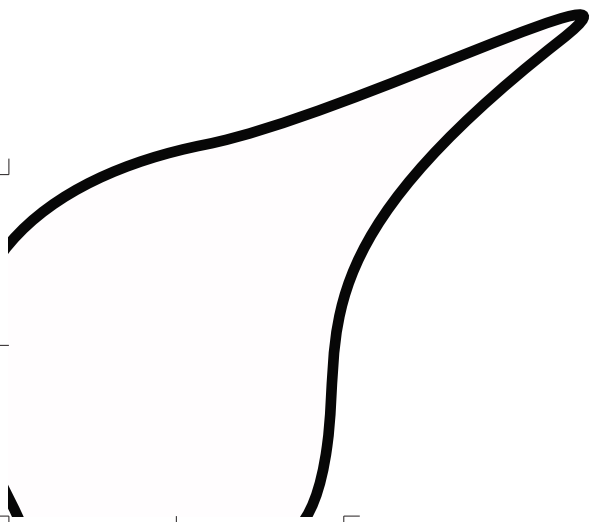

TILING INSTRUCTIONS

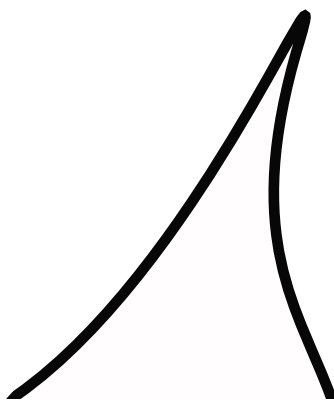

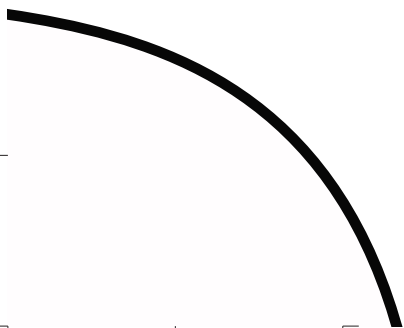

To assemble the tiled template:

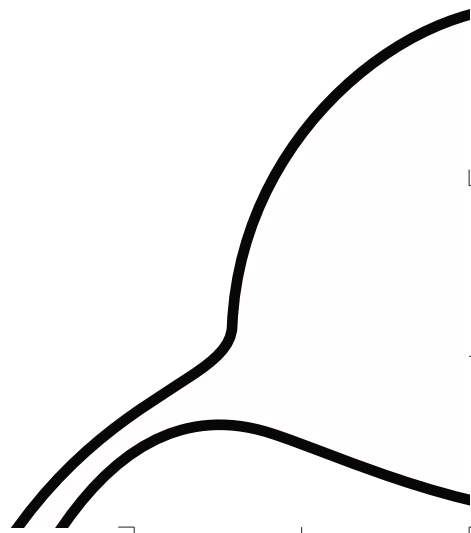

1. Using the image below as a guide, lay template tiles out on a work space: There are 2 numbers at the top of each sheet of paper; the first indicates column position, the second indicates row position. (For example, the first tile is marked 3, 1; place it where the first row and first column meet.)
2. When finished arranging tiles, tape together and cut out.
