

Template: “The Games We Play”: Playing-Card Napkins (spade)

from *Martha Stewart Living* | www.marthastewart.com

Print spade template on an 8½-by-11-inch full-size clear label sheet, such as Avery #8665, and cut out spade shape with a craft knife, creating a stencil. Discard the cutout. Cut a 4-by-4-inch square around the empty space to complete the stencil. Peel off backing, and adhere stencil to a 6-by-6-inch cloth cocktail napkin, making sure spade is centered. Using craft or fabric paint, stencil spade on napkin with a paint pouncer. (Try Martha Stewart craft paint, \$2, with tintable fabric medium, \$6, *michaels.com*.) Follow manufacturer’s instructions.
