

Steps for assembly (part 1):

1. Print templates onto colored medium-weight cardstock or construction paper.
2. Score along all dotted lines on all pages using a bone folder or knitting needle and a ruler.
3. Carefully cut out all pieces (cutting along solid lines) using an X-acto knife.
4. Fold all pieces along scored, dotted lines.
5. Use white glue to glue tabs at the base of the antlers piece onto the grey areas on the card marked "glue antlers tabs here."
