

## Clip Art: "Irresistible Ink": Who's the Scariest of Them All (skull, tiling diagram)

from *Martha Stewart Living* | [www.marthastewart.com](http://www.marthastewart.com)

Use this page for reference only. The artwork on the following pages is sized for a 30-inch-diameter mirror. Scale accordingly to fit other sizes, testing with plain paper first to ensure a proper fit. Then print the following pages on clear 8½-by-11-inch adhesive paper (*sticker project paper, \$14 for 10 sheets, avery.com*). Tile the pages, piecing them together as shown here. Cut out the complete skull design as close to the outside lines as possible, and affix it to the mirror. Reposition as needed.
