

Blueprint

ULTRASUEDE ELBOW PATCH

SUPPLIES:

Fabric scrap
Micropunch (at craft stores)
Needle and embroidery floss or craft thread

INSTRUCTIONS:

1. Pin pattern onto fabric.
2. Cut out, and punch holes around edge, 1/4 inch apart and 1/4 inch from the edge. Try on sweater, and pin patch in place. ("You want to see exactly where your elbow is," Katie says. "It's oddly not very easy to just eyeball it.")
3. Hand-sew in place through holes.
