To assemble the tiled template and size the straps:

1. Using the image below as a guide, lay template out on your work space.
2. Using a ruler and a craft knife, trim left side of each sheet at vertical crop marks. Repeat process to trim bottom of each sheet. Using remaining crop marks as guide, align design, then tape sheets together.
3. For the neck strap, use one 20-inch piece of 1-inch twill tape or ribbon. For the waist straps, use two 44-inch pieces of 1-inch twill tape or ribbon.
