

Template: "Love in 3 Dimensions": Accordion "XOXOX" Valentine

from *Martha Stewart Living* | www.marthastewart.com

Print template on card stock, and cut out. Trace onto the paper for the folded piece. (If making one card, print "reverse" template directly on desired paper.) Using bone folder, score along dotted lines. Then cut out, and fold along score lines. Position the folded piece inside base card so it pops. Secure with double-sided tape.
