

Assembly Plan: Snow-People Lawn Ornament

from *Martha Stewart Living* | www.marthastewart.com

INSTRUCTIONS

Cut flashing to lengths listed below, then drill holes where indicated. Holes are listed in order: #1, 2, 3, 4, 5, 6, and 7. Roll each piece of flashing so holes #1, 3, 5, and 7 align. Place hex nuts where shown and move snowballs down the rod until they reach the heights indicated on diagram.

For head:

1. Cut 53-inch piece of flashing
2. Drill holes at 1, 8, 15, 23½, 32, 42, and 52 inches.

For middle:

3. Cut 76" piece of flashing
4. Drills holes at 1, 11½, 22, 34¼, 46½, 60¾, and 75 inches.

For bottom:

5. Cut 106-inch piece of flashing
6. Drill holes at 1, 16, 31, 47¼, 63½, 84¼, and 105 inches.

Move snowballs down threaded rod until bottom of hat is 5 inches from top of rod, bottom of head is 11½ inches from top of rod, bottom of middle is 21 inches from top of rod, and bottom of biggest snowball is 34 inches from top of rod.
